**The Deposit amount is 50% for puppies priced under \$2,000. For a puppy priced over \$2,000 we ask a flat rate of \$1,000. If you are unable to pick up your puppy in the next week, you will be charged 50% regardless of your puppy's price.**

**Be Aware: All Deposits are non-refundable! This is a commitment of love you are making, think it thru before making your deposit. No Personal Checks accepted, only Credit Card.**

Brookwood Collies will take care of your puppy to the best of their ability until you are able to take he or she to a happy homecoming! Your puppy will be in full health when you pick it up, be fully up to date on all shots and dewormer and have a health certificate to prove it. **If you live outside the state of PA, you will be charged an extra \$30 at time of deposit for the USDA Health Certificate needed to cross state line.**

In the unfortunate circumstance of injury or death while in the care of and on the premises of Brookwood Collies, Brookwood Collies will assume full responsibility. Under these circumstances only will Brookwood Collies allow you to transfer your deposit to a pup of equal value or refund the deposit. When you sign the Guarantee of Complete Health just before you take your new baby home, you are agreeing that your pup is in good health and physical shape. After that YOU are responsible for the puppy's physical condition and social needs.

If you will be unable to pick up your pup during the week after your deposit, we are happy to board it for you but will ask a **50% deposit regardless of your puppy's price**. We will also begin charging board a week after deposit at a rate of **\$15 a day** and due in advance of each 2 week period of boarding. This covers for the increasing amounts of food, shots, and training your pup will be needing.

We encourage you to buy your first bag of dog food from us to ease the puppy's transition from our home to yours. Your pup is now ready for Adult food. We feed Plantation Premium Dog Food and are the only local distributor for you to buy from. We are totally convinced of its quality! It is dense, therefore, the pup does not eat as much or poop as much! Also, the poop is solid and easy to clean up. The price for Plantation is \$40 for 30 lbs. or \$50 for 50 lbs.
